THE NEW AGE XUV500.

THE NEW AGE
XUV500
MAY YOUR LIFE BE FULL OF STORIES

FIRST-IN-CLASS TECH FEATURES. FIRST-CLASS STYLE.

The XUV500 had set new standards in technology, with features like the Electric Sunroof, Logo Projection Lamps and several others. Now with new, **first in the Indian auto industry** technologies like Connected Apps and Ecosense, it has raised the bar even higher. With these, you get restaurant reviews, live cricket scores and much more, right on your infotainment system.

All this comes packed in captivating, cheetah-inspired exteriors that break the mould of the ordinary. Upfront, the static bending projector headlamps with light guides embrace the striking front grille. Stylish black accents bring alive the cheetah's unmistakable tear ducts. The raised bonnet emulates the cheetah's strong and slender shoulders, while the chiselled and sculpted lines grab your attention. Further enhanced with sleek chrome accents and stylish alloy wheels, the XUV500 enthralls with a majestic presence on the road.

NEW TECHNOLOGY

- **ANDROID AUTO**
- **CONNECTED APPS**
- **ECOSENSE**

STYLE

- **STATIC-BENDING PROJECTOR HEADLAMPS WITH STYLISH LIGHT GUIDES**
- **STYLISH FOG LAMPS WITH CHROME BEZEL**
- **POUNCING CHEETAH-INSPIRED BODY LINES**
- **UNIQUE, PAW-STYLED VERTICAL DOOR HANDLES**
- **STYLISH ALLOY WHEELS**
- **PREMIUM WINDOW CHROME LINING**

SUPERIOR PERFORMANCE.

The authoritative exterior promises unbridled excitement. And the mHawk[140] engine lives up to this promise. The 2.2 ltr. diesel engine delivers an output of 103 kW (140 bhp) and an impressive torque of 330 Nm. And the 5th generation variable turbocharger ensures instantaneous acceleration taking it from 0 to 60 kmph in a mere 5.4 seconds.

The XUV500 also comes with an option of 2.2 ltr. mHawk petrol engine, which delivers an output of 103 kW (140 bhp) and a torque of 320 Nm.

mHAWK 140

DIESEL | NEW PETROL

ELECTRIC SUNROOF WITH ANTI-PINCH

LUXURY GOES THROUGH THE ROOF.

The premium interiors redefine luxury. But the most striking thing you'll find inside, is the view outside. Fitted with an electric sunroof with anti-pinch, you are guaranteed a thrilling experience from every angle.

PREMIUM INTERIORS AND DUAL-TONE DASHBOARD

With its plush black and beige interiors and beige leather seats, the XUV500 offers you luxury even in the remotest of places. It also comes with an option* of all-black leather seats and a black dashboard.

6-WAY POWER-ADJUSTABLE DRIVER'S SEAT

FIRST-IN-CLASS LOGO PROJECTION LAMPS ON ORVMs

PUSH-BUTTON START/STOP PASSIVE KEYLESS ENTRY

*Available with select models.

AUTOMATIC TRANSMISSION

GEAR UP FOR ADVENTURES. WITHOUT GEARS.

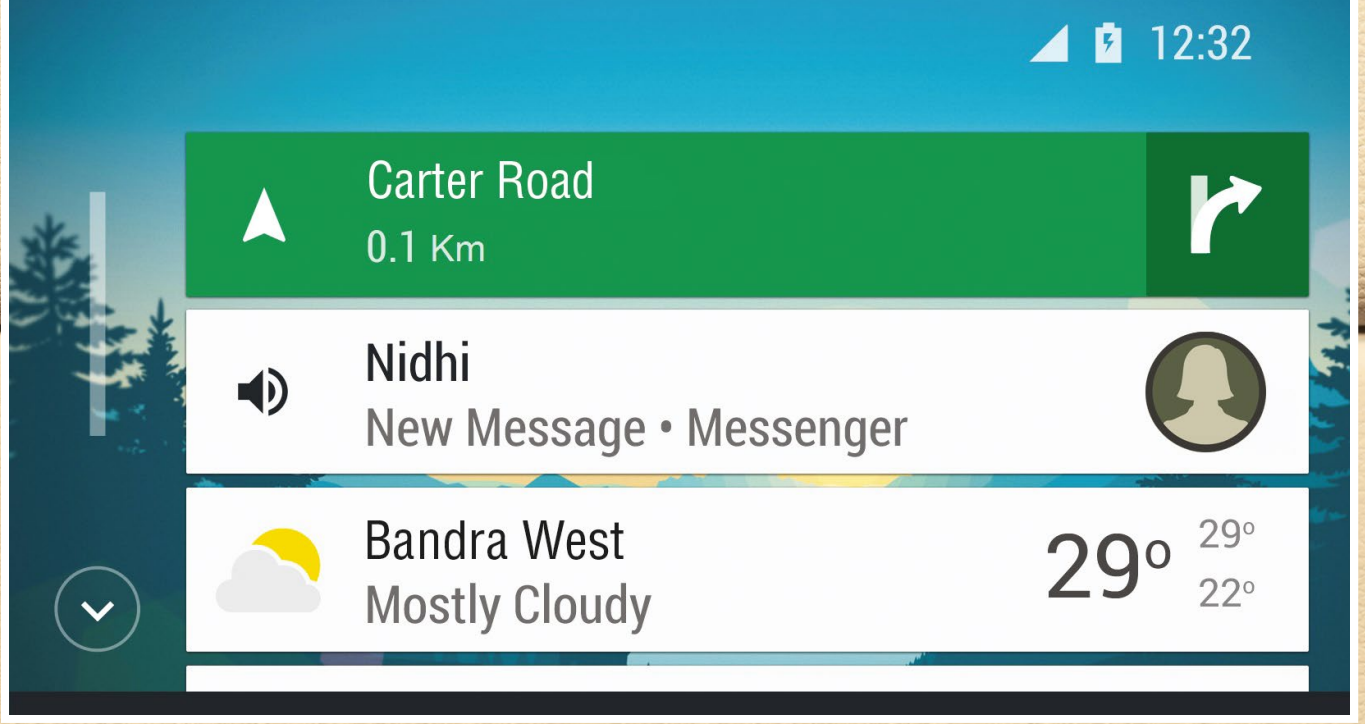
Dynamic , effortless and convenient. The XUV500 comes with an option of 6-speed automatic transmission available in a wide range of variants. So, whether you're on an off-road adventure or steering through the city traffic, every drive in the XUV500 automatic is guaranteed to be hassle-free.

- **6-SPEED AUTOMATIC TRANSMISSION**
- **CREEP FUNCTION**
- **SOURCED FROM AISIN, JAPAN**
- **MANUAL MODE OPTION**

ALL WHEEL DRIVE

Whether it's heavy rain, snow, ice or a slippery surface, the intelligent All Wheel Drive technology developed by Borg Warner ensures your vehicle is always in control.

AWD



NEW

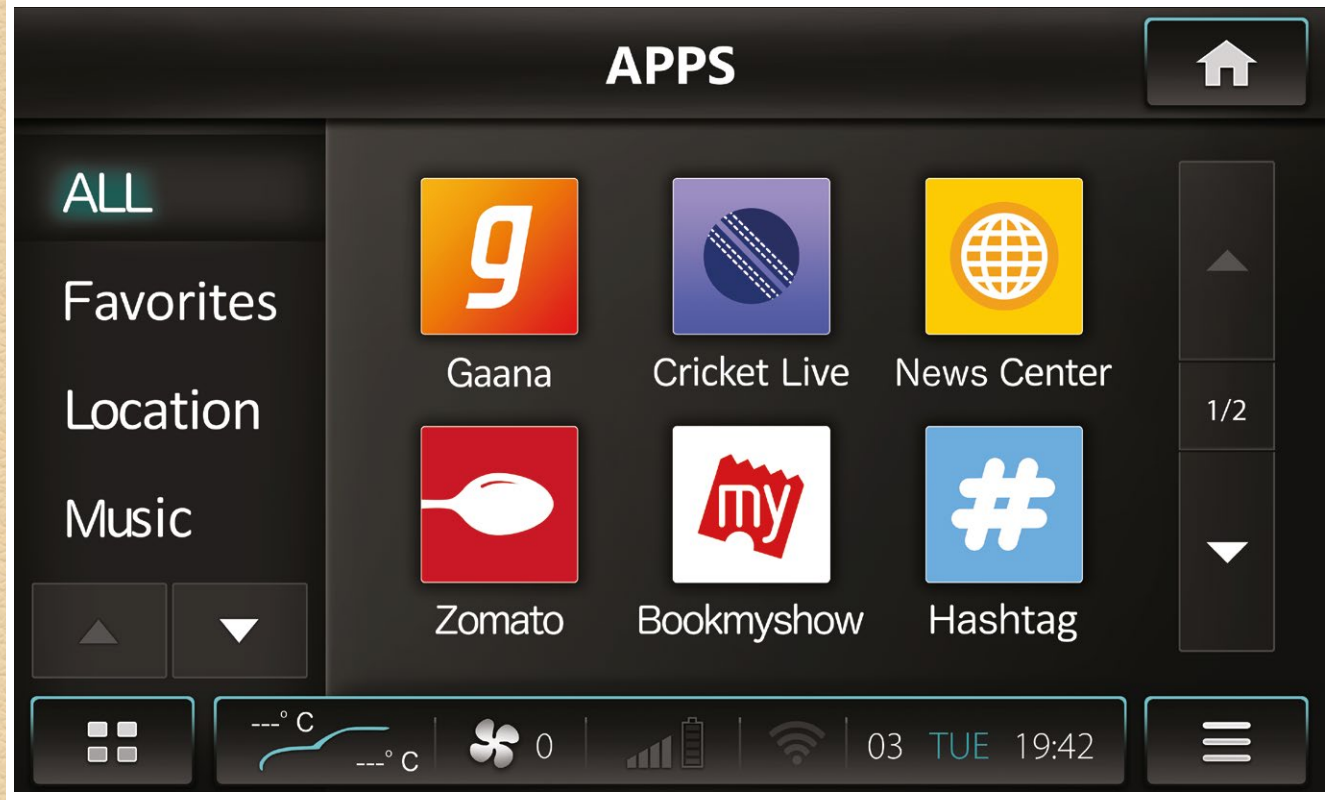
ANDROID AUTO

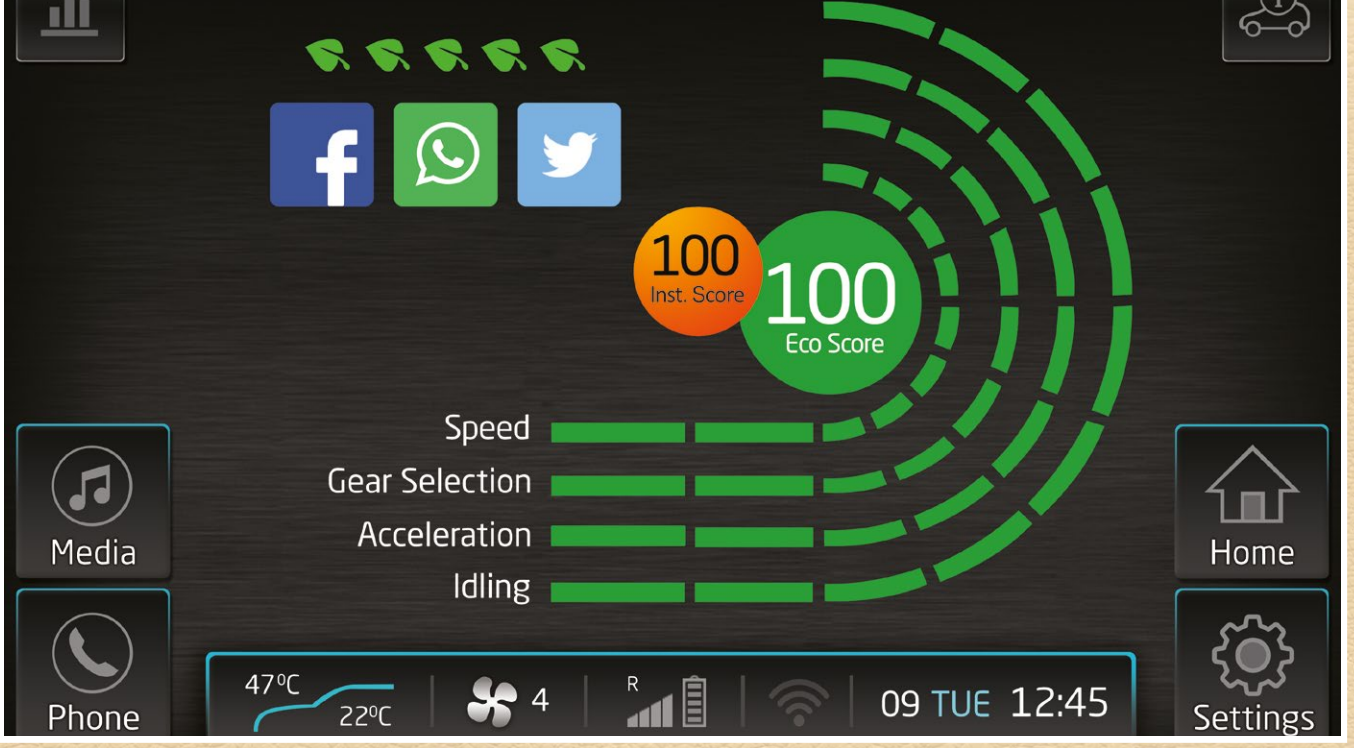
This technology connects your infotainment system to your Android device, so you can enjoy easy access to calls, messaging, navigation, music and much more, on your infotainment system.

NEW

CONNECTED APPS

Presenting a technology that's a **first in the Indian auto industry.** Thanks to **Connected Apps**, a host of essential and exciting apps like Gaana, Cricket Live, Zomato, Bookmyshow are now available on your infotainment system. So, even if you don't have these apps on your smartphone, you can enjoy them through a Wi-Fi hotspot.





NEW

ECOSENSE

Presenting a technology that's a **first in the Indian auto industry**. **Ecosense** is a unique technology that helps you optimize your fuel consumption and reduce CO2 emissions by assisting you in driving more efficiently. It gives you an Ecoscore on your infotainment system, based on the following parameters:

ecosense DiGiSENSE

SPEED

GEAR SELECTION

ACCELERATION

IDLING

CLUTCH OVERRIDE

AGGRESSIVE BRAKING

You can also share your Ecoscore on various social networking sites.

NEW

ENHANCED SUSPENSION

No matter where your adventure takes you, you are guaranteed an enjoyable ride. Equipped with an enhanced suspension, the XUV500 offers increased stability, greater comfort and precise steering. What's more, there is also an improvement in impact performance over pot holes, broken road surfaces and speed breakers.

6 AIRBAGS (FRONT, SIDE AND CURTAIN)

6 airbags reinforce your safety in the New Age XUV500. Driver & passenger airbags, side airbags and curtain airbags keep any impact from reaching you. As if that wasn't enough, the vehicle's body also comes with side impact beams and thoughtfully located crumple zones. They don't just absorb crash energy, but redirect it around the passenger compartment as well.

HILL DESCENT & HILL HOLD CONTROL

Hill Descent Control identifies steep inclines and engages itself to assist the vehicle down the slope with caution. While Hill Hold Control prevents the vehicle from rolling backwards when starting from standstill on an incline.

NEW

EMERGENCY CALL (E-CALL)

E-Call is a **first-in-class** technology feature that ensures your safety. In case the airbags get deployed, this feature automatically calls the emergency services. It even goes on to send a text alert to 2 pre-set numbers, through a paired mobile device. Quick response in an emergency is crucial. And we understand that.
