

The Volkswagen GTI

Volkswagen

Own The Night.

Speed belongs to the night. It's in the shooting star streaking through the sky. In the wildebeests racing the night. In a majestic lion chasing its prey in pitch dark. In the night owl plunging through the air, a blur to the naked eye. In the chuckle of a hyena speeding through a silent jungle.

But in all the beasts that are known to dominate the night, there's nothing that contests the might of the new GTI. 192PS of sheer power, that goes from 0 to 100kmph in a mere 7.2 seconds*. Speed chasers, your ride awaits.

*Internal Test Data.

Top speed of 233kmph*.

*Internal Test Data.

Full LED Headlamps with DRL and Red Inserts

Good taste does not need to be flaunted. It speaks for itself. The LED Headlamps with DRL and striking Red Inserts demonstrate just that.

Front Fog Lamps with Cornering Lights

The GTI isn't known as the beast of the night for nothing. The Front Fog Lights featuring static cornering function, make night-time driving an absolute pleasure.

Front Bumper with signature GTI Honeycomb Grill

The GTI's appearance mirrors its speed. Thanks to its characteristic front design featuring the distinctive Honeycomb front air intake, red radiator grille louvre and stylish side skirts. The perfect pre-requisites for making a statement.

Dual Chrome Exhaust Pipes

The Dual Chrome Exhaust Pipes lend the GTI a dynamic look and embody its racing DNA. Needless to say, every minute detail reveals its drive to move.

Dashboard

The GTI simply takes luxury to the next level. The leather decorated with red stitching on the multifunction sport steering wheel with the GTI chrome brace, ensure that every inch of your ride is extraordinary.

Heat-insulating Glass

Green Heat-insulating Glass on the rear and side windows, helps you keep your cool no matter what the weather.

1.8L TSI Engine

Power. It's the one thing a GTI flaunts unabashedly. With an impressive 192PS (141kW) power, it isn't ready to drive, it's born to roar. Going from 0 to 100kmph is only 7.2 seconds* and an adrenaline rush away. A heady feeling you'll love to own. Unabashedly, obviously.

*Internal Test Data.

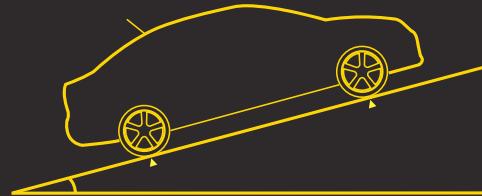

Armed for Combat

Nothing should come in the way of total road domination. Which is why the GTI is equipped with a battery of features for added comfort and safety. The power hatch comes with an Electronic Stabilisation Programme (ESP) that cautiously reduces the loss of traction. The Anti-lock Braking System (ABS) comes standard, ensuring the wheels don't get locked when the brakes are hit hard. Hill Start Assist prevents the car from rolling back when on a slope. 6 Airbags keep you safe. And the Park Distance Control kicks in to make life easier around tight parking spaces.

ABS

Hill Start Assist

ESP

7-speed DSG Transmission

Somewhere between gear 1 and 7, lies a magical story of the night. Get addicted to long drives powered by the moonlight. Learn a thing or two about the stars, courtesy the smooth-shifting Dual-Shift Gearbox (DSG). Nothing exciting ever happened by being ordinary. The science behind the GTI is testament to that.

'Salvador' Alloy Wheels

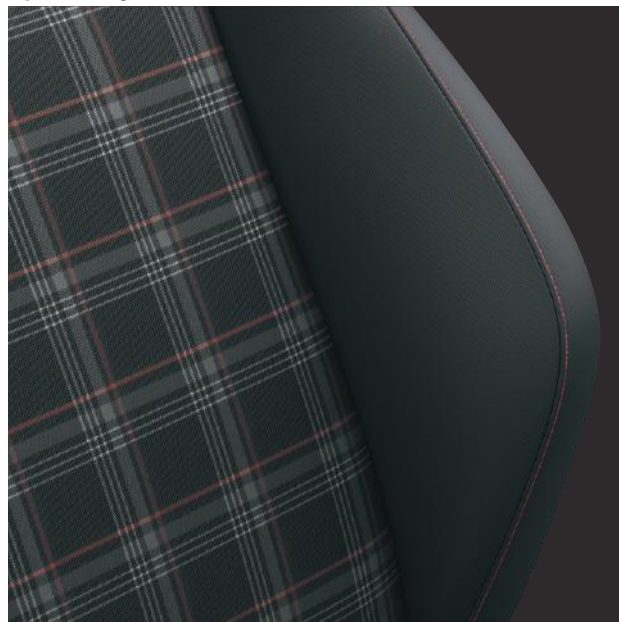

The GTI comes appointed with features crafted for those accustomed to making an entrance. Like the 'Salvador' R16 alloy wheels, that ensure that you arrive and depart in style.

Colours

- 1. Reflex Silver
- 2. Pure White
- 3. Black
- 4. Flash Red

Upholstery - 'Clark' Cloth Seat

Key Technical Specifications: GTI

Engine	1.8L TSI, 4 cylinder in-line	Height	1452 mm
Displacement	1798 cc	Wheel Base	2468 mm
Bore x Stroke	82.5 x 84.1 mm	Front/Rear Track	1443/1437 mm
Max. Output	192 PS (141Kw) @ 5400-6200 rpm	Tyre Size	215/45 R16 alloys
Max. Torque	250 Nm @ 1250-5300 rpm	Kerb Weight (with 90% fuel)	1273 Kg
Gear Box	Automatic 7-speed DSG	Fuel Tank Capacity	45 Ltrs.
Length	3976 mm	Fuel Consumption	16.34 kmpl*
Width	1682 mm		

Exterior

Full LED headlamps with DRL and RED inserts	ORVM with turn indicators
Sporty bumpers	Rear licence plate lamps in LED
Front bumper with signature GTI Honeycomb grille	Green heat-insulating glass in side and rear windows
Dual chrome exhaust pipes	Dark red tail lamp assemblies
Body cladding on seal panel	'SALVADOR' Grey metallic alloy wheels
Reflectors on rear bumper	

Interior

Carpet mats in front and rear	Sporty flat-bottom
Slush dashboard	GTI inscribed
4 grab handles above doors, folding with coat hooks at the rear	Red stitching
	With Paddle shift
Storage compartment in front doors including bottle holder	Seats
Sunglass, coins, card, pen holder inside glove box	Sporty seats with enlarged bolster
Interior Chrome package	Seat trim covers in fabric "Clark"
Chrome inserts in door trim	GTI signature red colour strips and stitching
Steering wheel	Drawers under front seats
Multi-function controls	Black headliner, grab handles, sun visors, and pillar lining
Leather-wrapped	Hand brake lever handle in leather
	Pedals in brushed stainless steel

Safety

Electronic stability Control with driver steering recommendation, ABS, ASR, EDL and EDTC
Driver side clutch foot rest
Front and rear disc brakes with red calliers
Front underbody guard
Wheel locks with extended anti-theft protection
Electronic differential lock XDS
6 airbags

ISOFIX anchorage points (mounting fixture for 2-child seats on rear bench seat)
Height adjustable L shaped - 3 head restraints in rear
3-point seat belts, in rear
3-point seat belts in front with height adjustment and seat belt pretensioner
Power windows with anti-pinch mecahnism
Airbag for driver and front passenger
Combined curtain and side airbags, in front
Park distance control - acoustic warning signal for obstacles in the front and rear
Rear fog lamp
Front fog lamps and cornering light
Seat belt reminder
High mounted stop lamp
Steel spare wheel
Rear window wiper with intermittent control

Functional Features

Hill start assist	Windshield wiper in front with intermittent control
Front centre console including 12V outlet	Automatic headlight range adjustment
Cooled glove box	2 reading lights in front and 1 in rear
Particle filter with activated carbon insert	Cruise control
Front seats with height adjustment	Air conditioning system Climatronic
60:40 foldable rear seats	Luggage compartment lighting
Manual dimming interior rear view mirror	Multi-function display/trip computer
Map pockets on back of front seats	Steering wheel, tilt and telescopic adjustable
Illuminated vanity mirrors in sun visors	Central locking with boot opener in Volkswagen logo
Light in front footwell	Central locking system with radio remote control and 2 remote control folding keys
Exterior mirrors power-adjustable and heated	
Start/stop system with generative braking	

Infotainment

Radio-composition media	Phonebook sync
6 speakers	SMS viewer
Mobile phone interface	
Aux-iN, USB, Bluetooth connectivity
