Volkswagen

As exclusive as being the only one on the road.

Bold, unmistakable and crafted for a glamorous few, the all new limited edition Polo ALLSTAR has arrived. A stunning, edgier prologue to the indomitable hatch you know and have come to love. One that's far ahead of its time. An incredible combination of striking design and pure glamour. Get in, grip the steering wheel and leave a trail of fans behind.

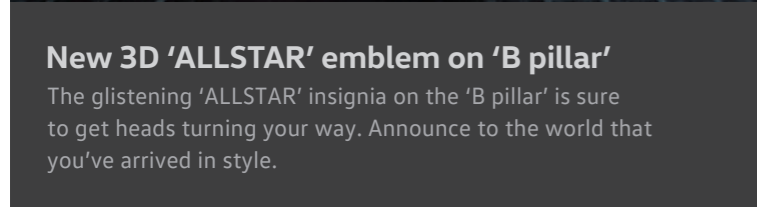

'Pentastripe Anthrazit' fabric black and grey interiors

The Polo ALLSTAR comes appointed with black and grey comfort seats with 'Pentastripe Anthrazit' seat covers in Anthracite; and the multifunction steering wheel, the gear lever knob and handbrake lever in leather. At last, a car that matches your style.

New 'Linax' alloy wheels

The 15-inch 'Linax' alloy wheels in black, with a polished finish, ensure that your drive remains a smooth and stylish affair. The perfect example of beauty with brains.

New 3D 'ALLSTAR' emblem on 'B pillar'

The glistening 'ALLSTAR' insignia on the 'B pillar' is sure to get heads turning your way. Announce to the world that you've arrived in style.

Scuff plates with 'ALLSTAR' badge

The high-quality, brushed aluminium scuff plates make sure that the beauty is not marred by foot prints and dirt. What's more, they serve as a prelude to the luxury that awaits you inside.

Front centre armrest

The 'ALLSTAR' leaves nothing to imagination. Furnished with a black front armrest, it adds a level of luxury and comfort especially when you're hitting the open road. What's more, the storage space inside lets you keep all your essentials by your side during long drives.

Rear AC vents

Thoughtfully appointed with rear AC vents, the 'ALLSTAR' is designed to ensure that your loved ones stay as cool and comfortable as you. Sit back, relax and enjoy the drive.

Aluminium pedal cluster

The sleek aluminium pedal cluster is the final pièce de résistance in the 'ALLSTAR'. Its non-skid surface and stylish look brings sophistication and comfort to your driving experience. Step on the pedal and feel the adrenaline surge through you, as you leave a cloud of dust behind.
