**Promise yourself.
Never a dull weekend.**

With its aggressive looks, powerful engine and grand deck, the new Scorpio Getaway pushes boredom into a corner, never to be heard from again. So when you hear that weekend call of the wild, all you have to do is turn on the ignition and roar into your next adventure.

Tame terrain with ease.

Powering this adventure machine is a modern Common Rail Diesel engine. That's 2500cc of pulsating muscle ready to pump its way through slush, sand, streams and tarmac alike.

Load it up, head out.

A bike to ride up the mountains, a surfboard to hit the beaches, a golf kit to swing at the course? You decide. Its grand deck is large enough to hold anything your mind holds, and is sure to last through a lifetime of adventures. So spontaneous adventure is never compromised.

Feel at home in the midst of nature.

The Getaway's comfortable, noise-damped cabin keeps the harshness of the world shut out. Its fabric-draped contoured seats and powerful air-conditioning give you home-like comfort even in the harshest natural conditions.
